The Vilma Whyte-Ellington scholarship was created to honour the life and work of Vilma, who was a Director and Lifetime member of the VRCA. She was also a past student of the Chetolah Mel Nathan Educational Centre. She passed away in 2020 from complications from the COVID-19 virus. The scholarship is VRCA's way of saying "Thank you" by paying it forward, as we know Vilma would want us to.

The VRCA also presented the Chetolah Mel Nathan Educational Centre with a security camera system to sweeten the pot.
